Burbage Village Hall Conditions of Alcohol Consumption

SIGNING THE BOOKING FORM INDICATES AGREEMENT OF THESE CONDITIONS.

The Charity Trustees will employ staff to run bars at any event held at the Village hall where a Bar is required. The Booking form provides details to the Bookings Officer of **any requirement by the hirer for use of the bar**. This information includes the expected **numbers & ages of guests** invited to, or likely to, attend the event. The number of bar staff will vary to ensure adequate cover.

This means that it is important that you indicate the full event requirements to us, as early as possible.

The BVH alcohol license conditions require a process to be followed to provide the correct number of staff to ensure our Age Verification policy (AVP*) is adhered to .

Please consider whether your event will, or is likely to, include those below the age of 25, and provide the relevant information on the booking form.

The Charity Trustees can provide personnel to verify ages for an additional charge of £30

It would be beneficial to mention these AVP checks in your advertising material so that people in this age group bring the relevant identification proof documents to the event.

***Age Verification Policy**

At all events where under 25's will be present, an extra member of staff or a Trustee must be available at the door to check ages of all people attending the event. A mark (stamp) will be used so that the bar staff will easily be able to see that this age verification procedure has been followed.

Any person that the bar staff feel could be younger than 25 who are unable to show this mark will be required to have this check made.

No person will be served alcohol until this process has been verified. One young person within a group of young people will not be allowed to purchase drinks for the group unless each person in the group has proved their age.

Identification must bear their photograph, date of birth and a holographic mark.

This can include for example:

- A photo card driving licence,
- A proof of age card bearing the PASS hologram,
- A passport.
